

The general knowledge about demography and health status of linguistic minorities

Introduction

Marie-Hélène Lussier
Amadou Diogo Barry
Normand Trempe

RENCONTRE D'ÉCHANGE

INITIATIVES POUR LA SANTÉ
DES PERSONNES ET COMMUNAUTÉS
D'EXPRESSION ANGLAISE DU QUÉBEC

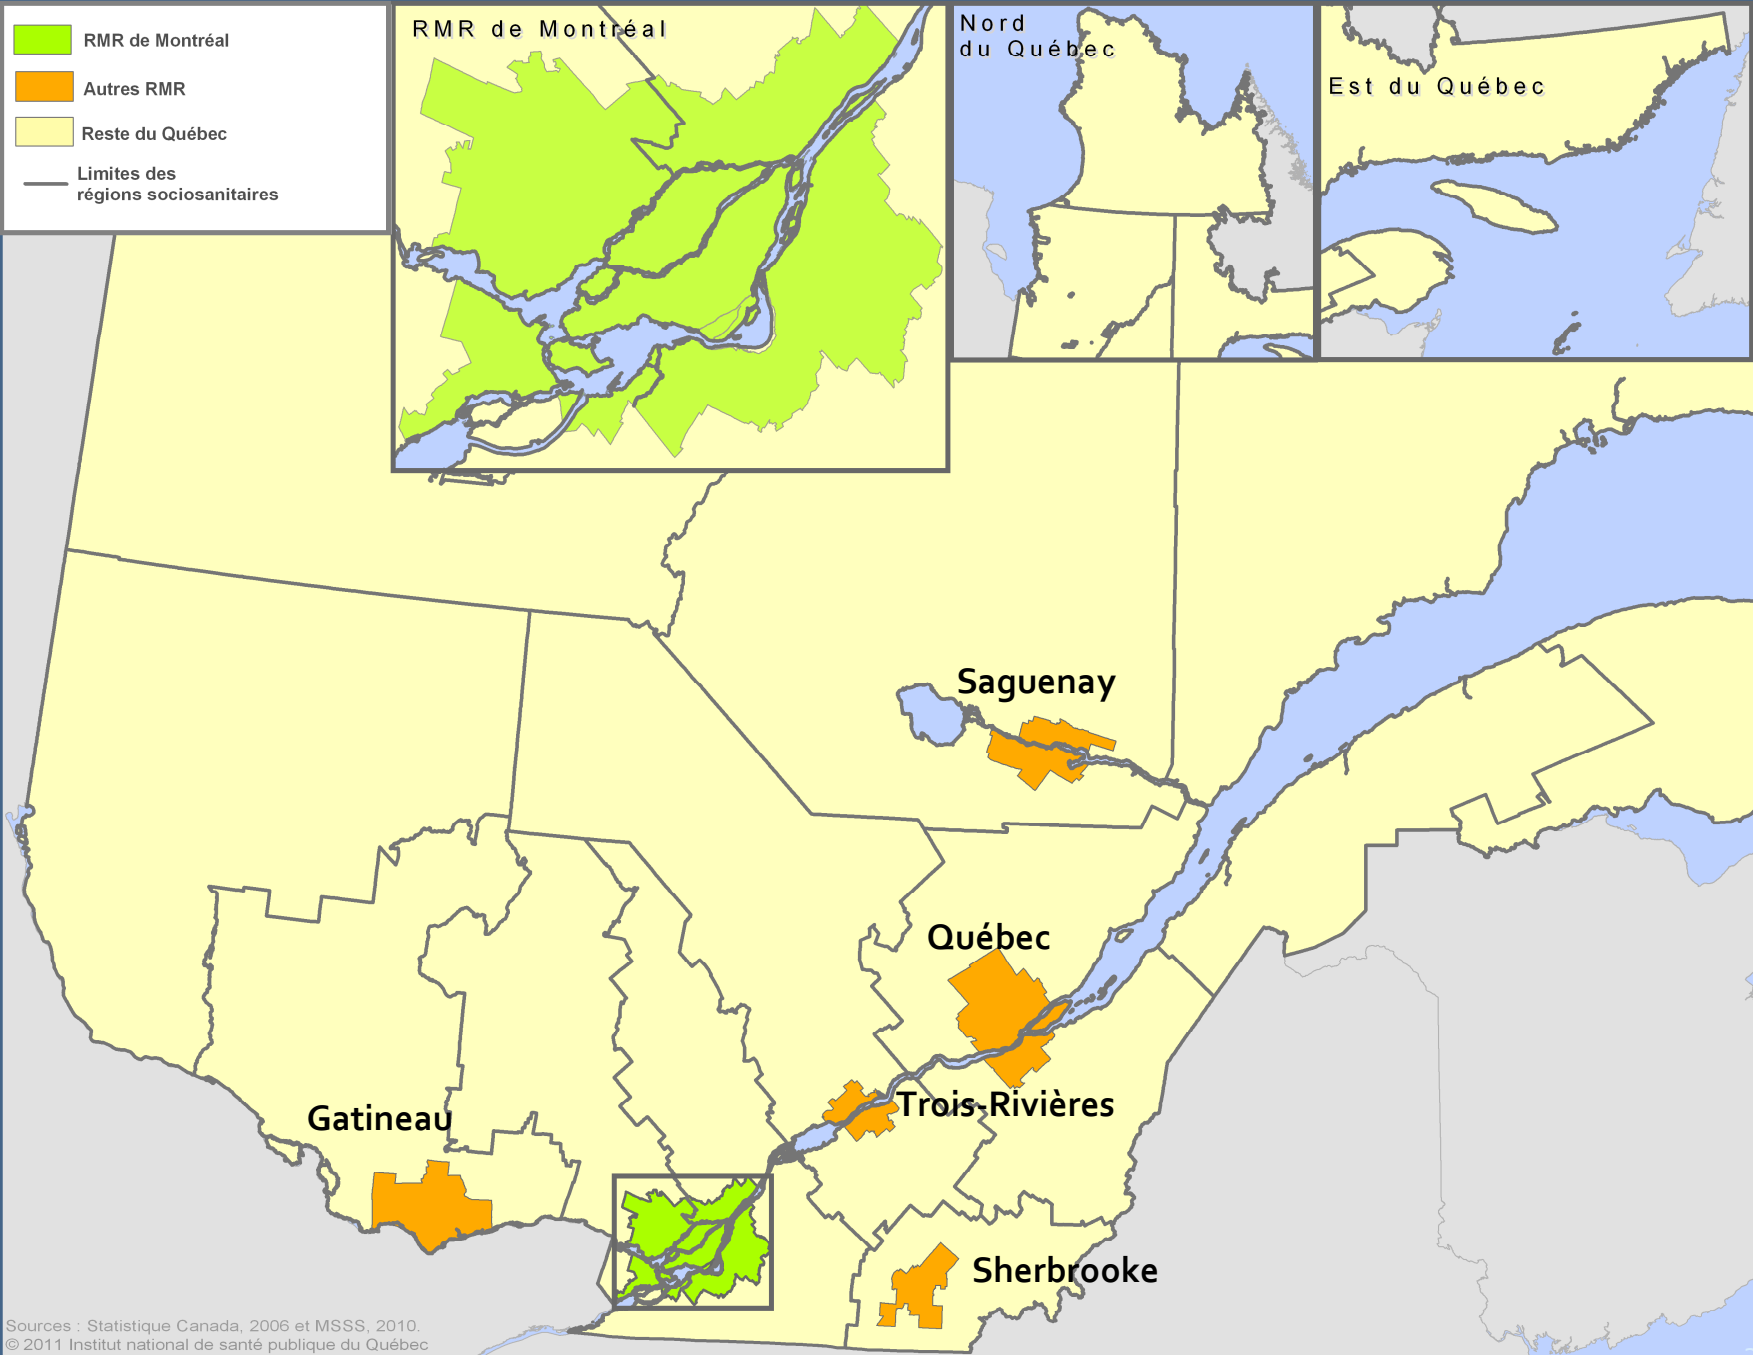

15-17 MARS 2011

*Institut national
de santé publique*

Québec 

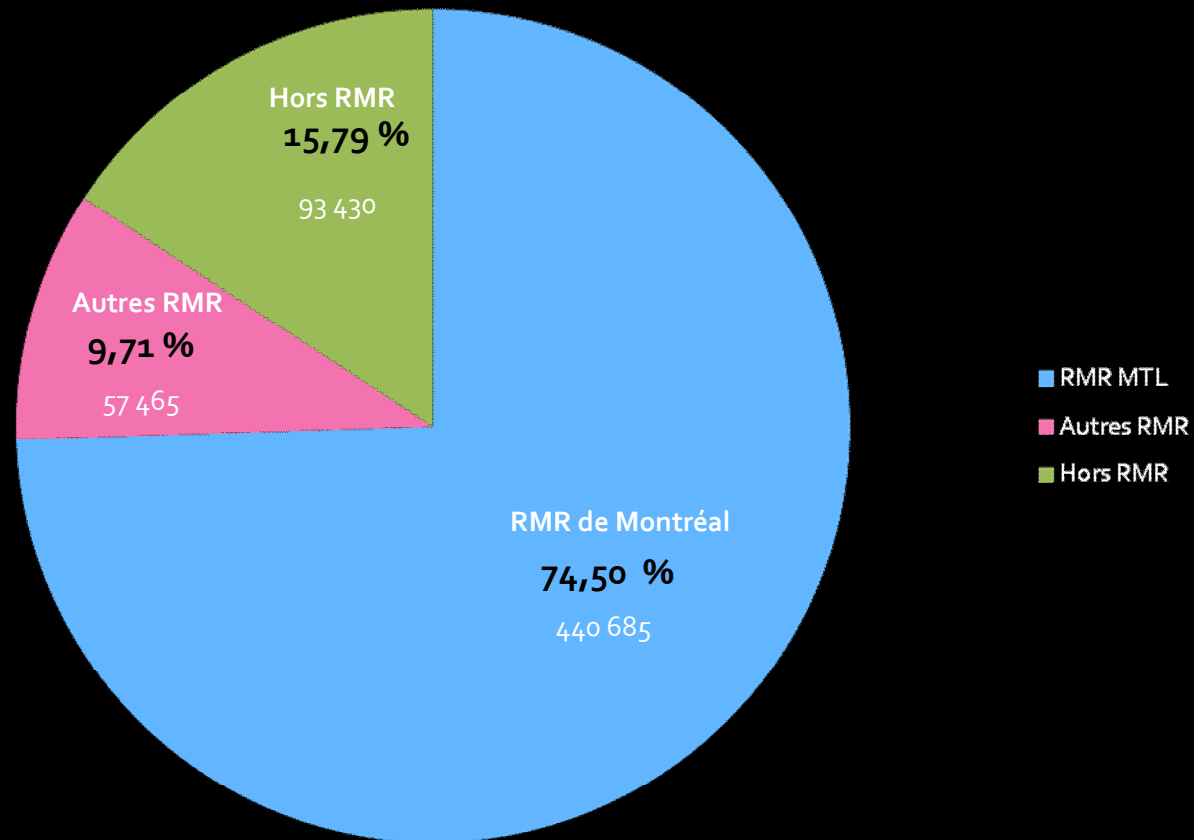

Use of mother tongue concept

- “ Mother tongue is the linguistic concept that is closest to cultural and ethnic identity
- “ Health status determinant
- “ Makes comparisons easier
